VILLAS

Self-catering holidays are a fantastic option for value, privacy and location (you name it, there's probably a villa there). The internet has had a revolutionary effect on the lettings market and sites such as ownersdirect.co.uk and holiday-rentals.co.uk are filled with fabulous properties. However, the sheer volume online means looking for the right property can be a daunting task. Getting it right is the difference between holiday heaven and wishing you'd stayed at home.
